THE HEN AND CHICKENS.

EMILIE POULSSON.

CORNELIA C. ROESKE.

1. Good Moth-er Hen sits here on her nest;
   Keeps the eggs warm be-neath her soft breast,
   Some little chicks breaking the shell,
   Good Moth-er Hen is hap-py and proud,

2. Hark! there's a sound she knows ver-y well:
   Wait-ing, wait-ing, day af-fer day.
   Peck-ing, peck-ing, peck-ing a-way.
   Cluck-eluck, cluck-eluck, cluck-ing a-way.

3. Now they're all out, oh, see what a crowd!
   Good Moth-er Hen is hap-py and proud.
   Cluck-eluck, cluck-eluck, cluck-ing a-way.
